UNPATRIOTIC SERMON

Delivered at the Martin's Ferry M. E. Church by Rev. Wilson-Attacks the Administration.

The members of the First Methodist Episcopal church, of Martin's Ferry, and others that had congregated at that place of worship last Bunday were vesterday freely expressing their indignation over the sermons delivered by the pastor, Rev. Wilson, both morning and evening. Both sermons were temperance and several members of the audience were loud in their denunciation against the unfair and intemperonly vigorously attacked the president ministration as a whole and even went church, until they became thoroughly disgusted and left before the sermon was finished. He stated among other was inished. He stated among other things that he was sorry that in the providence of God the Philippines were dropped into our hands, which had the appearance of an impeachment of the judgment of God himself. His assertion that Dewey had sunk a lot of rotten Spanish ships in Manila bay and then came home to glorify over it, and that he could have wished Dewey had been somewhere else were

bad taste and unpatriotic. He also stated that if he had a son he would rather see him dead and in his coffin than to enlist in the United States demonstration that his assertions A demonstration that his assertions were unfair is mainifested by the following: He stated that every other house in Manila was a saloon. That city has a population of 400,000, and reckoning five to a family, there would be 80,000 homes and every other one a saloon would show the city to have 40,000 har rooms, which is not the case, as his auditors knew. His sermons were unfair and unpatriotic and received the condemnation of almost the entire audience.

- SPICY MEETING

Of the Council Committee on Mar kets, in Which the Lie is Passed. The council committee on markets held a rather spicy meeting at the rooms of the city clerk last evening. W.

L. Tanney was present and made a number of allegations anent Walter Worls, which the latter denied in vigorous language. Bills amounting to \$14 56 were order-

ed paid. A resolution asking for repairs on the roofs of both the market houses, was passed. The contract for painting the letters on the stalls at the lower market was given to W. L. Tanney.

W. L. Tanney.

The matter of alleged bribery in the matter of the committee passing the ordinance permitting W. L. Tanney to paint signs on the Second ward market then came up. Mr. Tanney avered that Clerk Worls had come to him, asking for 35 for each member of the committee for passing the ordinance. He alleged that the members of the committee sent Worls with this request, and they probed Mr. Taniey in order to find why he made such ay statement. Mr. Worls stated that he would make affidavit at any time that Mr. Tanney's statements were false. There was a lively cross-fire between Mr. Tanney and Mr. Worls, after which the committee adjourned. The latter-stated after the meeting that he would make Mr. Tanney prove the statements he made before the committee.
